Neuro Vascular  
Interventions

# SNVICON 2025

## 8th

Annual Congress of Society of  
Neuro-Vascular Interventions

13-15 June 2025

Andaz Delhi, by Hyatt, Aerocity, New Delhi

For More Information Visit : [www.snvicon2025.com](http://www.snvicon2025.com)

# Welcome Message

Dear Colleagues,

It's my great pleasure and privilege to welcome you to the 8th Annual Conference of Society of Neurovascular Interventions to be held in the vibrant city of Delhi at Hotel Andaz, Aerocity, from 13-15 June, 2025.

This annual conference of the youngest subspeciality of Neurosciences is for the first time being held in New Delhi, capital of India. This unique meeting will bring together renowned experts, pioneers, and young professionals from around the globe, sharing their experiences in furiously advancing field Neurovascular Intervention. During these three days, we will delve into cutting-edge research, pioneering surgical techniques, and advancements in medical technologies that are revolutionizing practise of Neurovascular Interventions. The prestigious Professor Luc Picard Memorial Oration will be delivered by Professor Ling Feng from Beijing, who has a contributed immensely to development of Neurointervention in China and all across Asia.

Friends, not only will this conference offer the opportunity to explore the latest advancements in our field, but it also takes place in one of the most historically rich and culturally vibrant cities in the world. Delhi is a city that offers a unique blend of the ancient and the modern, a true symbol of India's diversity. Delhi has been rebuilt and destroyed multiple times, and historians refer to the "Seven Cities of Delhi". The delegates will have the opportunity to explore the historical monuments of the city. From the awe-inspiring Akshardham Temple, New Parliament or central Vista, Delhi is home to several UNESCO World Heritage Sites that narrate the city's storied past like Qutub Minar and Humayun's Tomb to the majestic Red Fort, Delhi is a paradise for food lovers. It is famous for it's street food – from chaat to paranthas, and the delightful Mughlai cuisine. Of course Delhi is well known for shopping and markets as well. Whether it's the bustling lanes of Chandni Chowk, the modern malls, or the colourful bazaars of Janpath, there's something for everyone to take home.

We are confident that this conference will be a truly memorable and unforgettable event for everyone.

Looking forward to welcome you all in Delhi in June.

**Dr. Vikas Gupta**  
**Organising Secretary**

# Organising Committee

**Prof Daljit Singh**  
(Chairman)

Director Professor, Neurosurgery, GBPIMER,  
New Delhi

**Dr. Vikas Gupta**  
(Organising Secretary)

Senior Consultant Neurosurgery &  
Neurointervention Kailash Hospitals,  
New Delhi & Noida

**Dr. Anita Jagetia**

Director Professor & Head Neurosurgery  
GBPIMER, New Delhi

**Dr. Sumit Goyal**

Director Neurosurgery & Neurointervention,  
Yatharth Hospital, Greater Noida

**Dr. Gurbachan Singh**

Senior Consultant & Head, Department of  
Neurosurgery, UCMS & GTB Hospitals,  
New Delhi

**Dr. Rahul Gupta**

Senior Director & Head of Neurosurgery,  
Fortis NOIDA & Escorts Hospital,  
New Delhi

**Dr. Girish Rajpal**

Associate Director Neurointervention,  
Max Hospital Vaishali & Patparganj,  
New Delhi

**Dr. Biplob Deb**

Director and Senior Consultant, Neurology  
& Neurointervention, Narayana  
Superspeciality Hospital, Gurugram & NCR

**Dr. Vineet Saggarr**

Director Neurosurgery &  
Neurointervention, Livasa Hospital,  
Mohali, Punjab

**Dr. Pragyan Sarma**

Associate Professor Neurosurgery,  
VMC & Safdarganj Hospital, New Delhi

**Dr. Shailesh Jain**

Associate Director, Neurosurgery and  
Head Neurointervention, Max Hospital,  
Shalimar Bagh, New Delhi

**Dr. Dinesh Kumar Satti**

Senior Consultant, Department of  
Neurosurgery, UCMS & GTB Hospitals,  
New Delhi

**Prof. (Dr.) Vinit Banga**

Director & head Neurology and  
Neurovascular Intervention, Fortis Hospital  
Delhi & Faridabad

**Dr. Dhananjay Gupta**

Assistant Professor of Neurology,  
Dayanand Medical College,  
Ludhiana Punjab

**Dr Sachin Tribhuwan**

Consultant neurosurgeon,  
Fellow in Neurointervention

**Dr Narendra kumar**

Junior Consultant Neurosurgery,  
Kailash Deepak Hospital New Delhi

# International Faculty

**Prof. Jaques Moret**  
(France)

# TENTATIVE SCIENTIFIC SESSIONS

## Day 0, 12th June 2025

Time	Topic
12.30 PM - 01.30 PM	Architectonics of the Brain and Spinal Cord - lessons learned from Phylogeny, Embryology and Anatomy
01.30 PM - 02.30 PM	Angio architecture of the Spinal Cord up to the CV - Junction - an anatomical-radiological correlation
02.30 PM - 03.30 PM	Non-invasive imaging of spinal cord -anatomy, vascularisation and techniques to demonstrate shunts on MRA/CTA
03.30 PM - 04.30 PM	Performing a spinal angiogram - patient preparation, protocols, image acquisition optimization
04.30 PM - 05.30 PM	Flat Panel Cath Lab Physics - Concepts of Isocenter, Scatter Radiation, Radiation Protection & CBCT Techniques
05.30 PM - 06.30 PM	Case Video Presentation: Spinal Dural AVT's Tips and Tricks from a series of Real-World Cases

## Day 1, 13<sup>th</sup> June 2024

07.30 AM Onwards	Registration
Time	Session
08.00 AM - 10.30 AM	Session 1 - Carotid Interventions (Abott)
10.30 AM - 12.20 PM	Session 2 - PM Pediatric & Spinal
12.20 PM - 02:30 PM	Session 3 - AVM & Fistula
03.00 PM - 05.00 PM	Session 4 - Symposium Aneurysms Flow diversion
05.00 PM - 07.30 PM	Session 5 - Flow Diversion
8.30 PM onwards - Dinner	

## Day 2, 14<sup>th</sup> June 2024

Time	Session
08.00 AM - 10.00 AM	Session 1 - ICAD
10.00 PM - 12.00 PM	Session 2 - Aneurysms
12.00 PM - 12.40 PM	Session 3 - "Luc Picard Oration"
12.40 PM - 02.15 PM	Session 4 - Aneurysm 1
02.45 PM - 05.00 PM	Session 5 - Flow Diversion
05.00 PM - 07.00 PM	Session 6 - Stroke
08.00 PM onwards - Gala Dinner	

## Day 3, 15<sup>th</sup> June 2024

Time	Session
08.00 AM - 10.15 AM	Session 1 - Chronic Subdural hematoma
10.15 AM - 12.00 PM	Session 2 - Symposium on Intra saccular Devices
12.00 PM - 01.20 PM	Session 3 - Acute Stroke
01.20 PM - 02.45 PM	Session 4 - Acute Stroke 2
02.45 PM onwards - Lunch	

## Case in a Box

**Win  
Exciting  
Prizes!**

# CASE SUBMISSIONS OPEN NOW

- We invite cases for presentation as "CASE IN THE BOX" during the academic sessions in SNVICON 2025.
- Each session will begin with two case in the box presentations of 10 mins duration each. This will be followed by a 10 mins discussion on both the cases together.  
(30 mins session Case 1 (10 mins) Case 2 (10 mins) and discussion on both cases 10 mins)
- A panel of judges will evaluate each case for an award.  
Awards would be given as
  - a. 1<sup>st</sup> and 2<sup>nd</sup> best cases of each day
  - b. 1<sup>st</sup> and 2<sup>nd</sup> and 3<sup>rd</sup> best cases of entire conference.
  - c. All awards would be given during the Valedictory function (only the awardees present would be eligible)
- Registration is mandatory for submission of cases.
- You are encouraged to submit as many cases as you like; however selection will be based solely on the basis of merit as decided by the academic committee appointed by the EC. In case of a tie, preference would be given to member of SNVI.
- Out of the submissions, A total of about 20 cases would be selected for presentation in the conference (in the main hall during the primary sessions)
- All 20 cases will be eligible for awards, provided the presenter has attended the entire conference (access to hall will be barcode controlled)

# Case in a Box

## Criteria for Case Submission

1

**Qualifications:** The primary author must hold one of the following

- FNB/SNVI fellows will be given preference
- DM/DNB Neurology
- MCh/DNB Neurosurgery
- DM in Neuroanesthesia

2

**Field of Work:** The case must be in the domain of neurovascular interventions with a carry home lesson.

3

**Originality:** The case must be an original case performed by the presentation.

### **Content:**

- Not only unusual or challenging cases are invited, but even routine cases done well with good results and without any complications can be submitted. (Complications can be submitted if tackled well with a good final outcome)
- Cases should deliver a academic message and be suitable for presentation on an international platform in presence of esteemed international and national faculties.
- Images and videos submitted should be of HD quality – this would be one of the criteria for case selection (No photos/videos taken by cell phone would be entertained)
- Cases with follow up would be preferred.
- At present, only abstracts are invited in the prescribed format. All cases would undergo a peer review process. Authors of the selected cases will be notified via E-mail and will have to submit entire case ppts by 1st June 2025

4

## Case in a Box

Please Adhere To The Below Specified Format When Submitting Case Abstracts

- 01 Title of the Case
- 02 Clinical History
- 03 Radiological & DSA Findings
- 04 Treatment Plan
- 05 Hardware Used
- 06 Summary of the Procedure
- 07 Unique Aspects of Case OR  
What was different in your case
- 08 Key Learning Points for the  
Audience
- 09 Rationale for Selection of Your  
Case for Presentation

**LAST DATE OF ABSTRACT SUBMISSION IS 15 MAY 2025**

Please submit your cases via email to: [snvicon2025cases@gmail.com](mailto:snvicon2025cases@gmail.com)

For more details please contact

**Dr Satish Lahoti +91 95271 12266**

## Programme Highlights

01

The Scientific Programme of the Eighth Annual Meeting of SNVICON will feature 10 theme-based scientific sessions spread across three days.

02

Each session will begin with two "Case-in-the-Box" presentations aligned with the session's theme.

03

These case presentations will be followed by expert lectures from leading national and international faculty

04

20-minute panel discussion at the end of each session will encourage audience interaction and deeper insights into the topic.

05

### **Dedicated Focused Symposiums will cover:**

- Innovative Therapies for Aneurysms – including Intra-saccular Devices and Flow Diverters
- AVMs (Arteriovenous Malformations)
- Venous Pathology

06

Fellow Course: **For the first time**, a special pre-conference Fellow Course will be conducted on 12th June 2025, aimed at enhancing knowledge and encouraging high-quality "Case-in-the-Box" submissions.

07

### **Awards & Prizes:**

- Daily awards for best paper presentations
- Special recognition and prizes for the Top 3 Best Papers of the entire conference

# Registration Details

## Residential Package

Type of Delegates	2 Nights Package (Check in -13 June check out - 15 June)		2 Nights Package (Check in - 13 June - check out - 15 June)		3 Nights Package (Check in - 12 June - check out - 15 June)		3 Nights Package (Check in - 12 June - check out - 15 June)	
Type of Delegates	Early bird till (28th Feb)		1st March-5 June		Early bird till (28th Feb)		1st March-5 June	
	Single Occupancy	Twin Sharing <small>Single person charges</small>	Single Occupancy	Twin Sharing <small>Single person charges</small>	Single Occupancy	Twin Sharing <small>Single person charges</small>	Single Occupancy	Twin Sharing <small>Single person charges</small>
SNVI Member	40000	26000	45000	30000	55000	35000	60000	40000
Non Member	45000	30000	50000	35000	60000	40000	65000	45000
Fellows/ Student	32000	24000	35000	27000	52000	32000	55000	35000
Industry	50000	35000	55000	40000	65000	45000	70000	50000

## Inclusions

2 NIGHTS

- Accommodation for 2 nights
- Daily breakfast
- Conference registration
- Access to conference lunches & dinners
- Entry to conference sessions and exhibition area

3 NIGHTS

- Accommodation for 3 nights
- Daily breakfast
- Conference registration
- Access to conference lunches & dinners
- Entry to conference sessions and exhibition area

### Notes:

- In twin-sharing accommodation, the delegate will share the room with another person

## Non Residential

Types of Delegate	Early Bird till 28 Feb	1 March -12 June	Spot Registration
SNVI Member	10000	15000	22000
Non Member	12000	17000	24000
Fellows/ Student	7000	9000	10000
Industry	17000	20000	25000
Accompanying Person	10000	10000	10000

## Inclusions

- Conference Registration Fee
- Conference Lunches & Dinners
- Entry to conference sessions and exhibition area

### Terms, Conditions & Cancellation/Refund Policy

- The registration fee includes GST.
- Conference registration is mandatory for all participants.
- Only spouses are permitted as accompanying persons. Fellows are strictly not allowed to register as accompanying persons.

### Cancellation and Refund Policy:

- Cancellations made by 28<sup>th</sup> February 2025: Eligible for a 75% refund.
- Cancellations made by 30<sup>th</sup> April 2025: Eligible for a 50% refund.
- No refunds will be issued for cancellations made after 1st May 2025.
- All the requests for cancellation of Registration must reach conference secretariat (Mr. Nayank Sharma –Alpcord Network) on or before 30<sup>th</sup> April 2025 in writing on [snvicon2025delhi@gmail.com](mailto:snvicon2025delhi@gmail.com), as per the cancellation policy.
- All refund processes will be initiated after the conference.

# About Venue

## Andaz Delhi Aerocity

Welcome to Andaz Delhi, a luxurious lifestyle hotel by Hyatt, located in the heart of Aerocity, just minutes away from Indira Gandhi International Airport. Designed to reflect the vibrant spirit of Delhi, Andaz offers a unique blend of modern luxury and authentic local experiences, making it the perfect destination for travelers seeking comfort, style, and sophistication.

## Location & Connectivity

Nestled in Aerocity, Andaz Delhi offers seamless connectivity to business hubs like Gurgaon and Delhi, as well as major attractions such as Qutub Minar, Humayun's Tomb, and India Gate. The Delhi Aerocity Metro Station is just a short walk away, ensuring easy access to the city.

Hotel Andaz Delhi, by Hyatt

**FIRST TIME EVER**

## SNVI FELLOWS COURSE

Date:	Time:	Fees:
12th June 2025	12:30 to 6:30 PM	₹10,000

### COURSE HIGHLIGHTS

**Limited  
Seats  
Available**

- Architectonic Organisation of the Brain and Spinal Cord  
Lessons learned from Phylogeny, Embryology and Anatomy  
— Dr. Rahul Kumar
- Angio Architecture of the Spinal Cord up to the CV Junction  
An Anatomical-Radiological Correlation  
— Dr. Rahul Kumar
- Non-Invasive Imaging of the Spinal Cord  
Anatomy, Vascularisation and Techniques to Demonstrate Shunts on MRA/CTA  
— Dr Aishwerya Singh
- Performing a Spinal Angiogram  
Patient Preparation, Protocols, Image Acquisition Optimization  
— Dr. Trilochan Srivastava
- Flat Panel Cath Lab Physics  
Concepts of Isocenter, Scatter Radiation, Radiation Protection & CBCT Techniques  
— Dr. Deep Das
- Case Video Presentation: Spinal Dural AVFs  
Tips and Tricks from a Series of Real-World Cases  
— Dr. Deep Das & Dr. Trilochan Srivastava

### Eligibility:

- FNB / SNVI Fellows
- Within two years of passing fellowship
- MCh / DM Students
